

General Terms of Use for the Support Forum of the ThinPrint AG

Before visiting and using the Support Forum of the ThinPrint AG, represented by the Chairman of the Board of Directors Carsten Mickleit, Alt-Moabit 91 a/b, 10559 Berlin, Germany (hereinafter referred to as "ThinPrint"), please read the following General Terms of Use (hereinafter referred to as "GTU"). The GTU apply to any and all visits to the Support Forums by any User. You automatically declare your consent to accept and adhere to the GTU upon access to and use of the Support Forum. If you, however, disagree with the GTU, please refrain from accessing and using the Support Forum and its contents.

1. Subject Matter of the GTU

1.1 The GTU finally define the terms and conditions under which ThinPrint provides its Support Forum to internet users and/or under which terms said users may access and use the Support Forum.

1.2 The GTU apply to every connection established to ThinPrint's Support Forum.

1.3 ThinPrint reserves the right to modify or add contents to its Support Forum and the elements presented therein at any time without previous announcement.

2. Access to the Service

2.1 ThinPrint's Support Forum may be accessed at any time all around the clock, except in cases of force majeure or events beyond the control of ThinPrint and/or in cases of any arising disruptions or maintenance procedures required for orderly function of the Support Forum.

2.2 All rights granted to Support Forum users by ThinPrint are not transferable.

3. Intellectual Properties

3.1 Any and all contents of ThinPrint's websites including without limitation the Support Forum, including but not limited to data, information, logos, brands, logos, types, texts, and illustrations and their arrangement on ThinPrint's websites are subject to all available national and international copyright law and other laws regarding intellectual property. In particular all rights regarding the contents and design of ThinPrint's websites are strictly reserved by ThinPrint AG. Information and images offered on the website are copyrighted as follows: © 1999-2009 ThinPrint AG, All Rights Reserved.

3.2 Any and all complete or partial copy, reproduction, modification, replay, display, transfer (in electronic or any other form), any type of access to third parties, including any and all adaptation, distribution, or any other use of any and all content of ThinPrint's websites including without limitation the Support Forum (including all texts, images, graphics, audio and video files) for public or commercial purposes, regardless of the methods used, is prohibited without previous express written consent from ThinPrint.

3.3 Links to ThinPrint's websites, however, are at all times possible and welcome as long as these links are incorporated with suitable information to and consented by ThinPrint in advance. ThinPrint's websites may contain links to websites controlled by third parties other than ThinPrint. ThinPrint is not responsible and does not endorse or accept any responsibility

for the contents of such third parties' websites. ThinPrint provides such links for the users' convenience only.

4. Use of Contents

4.1 Contents taken from ThinPrint's Support Forum may not be copied, reproduced, published, downloaded, sent or transferred, or sold save for saving on the user's private computer for personal, non-commercial use. References to property rights to ThinPrint's websites must be included at all times. Any modification of said contents and its use for any other purpose constitutes an infringement of ThinPrint's property rights. The use of said contents on another website or within a computer network is prohibited.

4.2 ThinPrint reserves the right to claim for any damages resulting from infringement, if user infringes or violates any of ThinPrint's rights as stipulated in 4.1.

4.3 User may post his/her comments on in the Support Forum, as long as user adheres to the following rules: the Support Forum and its contents may not be used for unlawful purposes, including namely but not limited to publication, dissemination or other conveyance of insulting, offensive, glorifying violence, discriminatory, pornographic, and extremist or in any other way unlawful content. This also applies to any and all contents which may be reached by using links set by User. It is prohibited to use indecent contents, ambiguous descriptions and markings and/or other descriptions and expressions indicating illegality which cannot be proven in finality.

4.4 Any activities of user aiming at the destruction of the functioning or at complicating the use of the Support Forum— in particular influence and manipulation of physical and logical structure of the service – are prohibited.

4.5 Generally, ThinPrint does not carry out any examination of any contents and expressions or comments by Users before such contents and expressions or comments are uploaded, disseminated, published, or conveyed in any other form.

4.6 If ThinPrint obtains knowledge of breach of these GTC or is suspicious thereof, ThinPrint is entitled to deny access to the services and, if necessary, to immediately delete any contents used by the respective User or which are addressed to him. ThinPrint shall give User an appropriate warning with a reasonable time limit before denying access, except if the aforementioned violation or infringement is such a material violation or infringement that further use of the Cortado-Services by User would be intolerable for ThinPrint.

5. Limitation of liability

5.1 ThinPrint shall not be liable for any and all material or immaterial damages and consequential damages arising from the use of the provided information, regardless of how such damages were caused, except if internet user can prove that said damages have been caused by gross negligence or intent by ThinPrint.

5.2 Data and information published via ThinPrint's Support Forum are always provided "as is" without any express or implied guarantee of any kind. In particular, no guarantee can be assumed for the function, up-to-dateness, accuracy, completeness, or quality of the information on ThinPrint's Support Forum (either of ThinPrint or of another author), the links, and particularly the information on linked internet sites of third parties (including lawfulness of their respective contents). Rights to the websites of any third party as well as accountability for their contents and design are exclusively reserved by the third party, as ThinPrint has no influence on third parties' websites.

5.3 ThinPrint assumes no guarantee or liability that internet user's computer remains free of damages and/or computer viruses. User is solely responsible for protecting his data and/or software against infection by computer viruses circulating in the internet.

6. Disclaimer

6.1 Except where expressly provided otherwise by ThinPrint, any and all materials provided on the ThinPrint websites are provided on an "as is" basis only and ThinPrint disclaims all express or implied representations, warranties, guaranties and conditions including

without limitation any implied warranties and conditions of merchantability or fitness for a particular purpose. ThinPrint makes no representations, warranties, guaranties or conditions as to the quality, suitability, truth, accuracy or completeness of any of the materials contained on the ThinPrint websites.

6.2 The opinions of users as expressed or stated in any forums of the ThinPrint websites (including without limitation the Support Forum) do not necessarily state or reflect those of ThinPrint. ThinPrint expressly dissociates from such statements and opinions.

7. Jurisdiction and Applicable Law

7.1 Place of jurisdiction for any and all disputes arising from the GTU or ThinPrint's websites, insofar as legally permissible, shall be the seat of ThinPrint AG in Berlin (Germany). The GTU and ThinPrint's Support Forum are construed in accordance with the law of Germany. By accessing and using ThinPrint's Support Forum, user expressly declares his/her agreement with the jurisdiction clause.

7.2 If one or more of the provisions of the GTU should be or become illegal, invalid, or for any other reason inapplicable, this does not affect the validity and applicability of the remaining provisions of the GTU.
